

Unravel – Tokyo Ghoul

Why won't you tell me,
Won't you tell me
The truth of what you see
Of what exists in me, a monster or a dream?

My world is twisting, slowly crumbling
Distortions cloud my view
Though with each breath I scream
My voice will not reach you

I'm struggling, just to speak again
Could these words be my last?
I'm terrified to surrender my soul
I must let you go - Freeze

I'm breakable
Unbreakable

I'm shaking yet
Unshakable

Psychotic
But I'm not insane

I'm standing
Watching the world cave in around me
Open your eyes, to see what I see
The one you're searching is gone and can't be found
Who I used to be
Those pieces of humanity could only chain me
Your unbroken reality could not contain me
I'm drifting farther, to where there's no return
I cannot return

The endless pain of solitude
Wraps tight around my fortitude

Each memory in my embrace
A jagged knife piercing me through
I can't escape
I can't escape
I can't escape
I can't escape
I can't escape
I can't escape this unraveled ghoul!

I'm breakable
Unbreakable

I'm breathless and
Living in this world

A life divine
Unmerciful

Shattered and
Indestructible

I'm shaking yet
Unshakable

Surrounded
Bleeding all alone

In heaven and
In hellish pain

I'm standing
Watching the world cave in around me
Open your eyes, to see what I see
The one you're searching is gone and can't be found
Who I used to be
Those pieces of humanity could only chain me
Your unbroken reality could not contain me
I'm drifting farther, to where there's no return
So hold onto your memories

Please don't forget me
Please don't forget me
Please don't forget me
Please don't forget me

Who I once was and what I am are not the same now
So stay away, what I've become will finally break out
Please leave with the sight of who I used to be

Won't you tell me
Won't you tell me
The monster that you see, is nothing but a dream?
