

# Hold On – Tom Jackson

I see you feel your heartbeat situation  
You live alone crying in the night  
So alone in your isolation  
You hold the pain so deep inside  
I can feel youre loneliness  
I can feel it girl feel it inside  
I can give you a tenderness  
Come on to me and you see  
Will make it right  
Hold on down  
Hold on down  
I can feel youre loneliness  
Hold on down  
Hold on down  
Girl i give you sweet carres  
Hold on down  
Hold on down  
All the hurt and pain alive  
Hold on down  
Hold on down  
Let me give you love tonight  
Another day another situation  
Hurt feelings burning in your mind  
Is this love all in back awation  
Love is cold and love is blind  
I can feel youre loneliness  
I can feel it girl feel it inside  
I can give you a tenderness  
Come on to me and you see  
Will make it right  
Hold on down  
Hold on down  
I can feel youre loneliness  
Hold on down  
Hold on down  
Girl i give you sweet carres

Hold on down  
Hold on down  
All the hurt and pain alive  
Hold on down  
Hold on down  
Let me give you love tonight  
I can feel youre loneliness  
I can feel it girl feel it inside  
I can give you a tenderness  
Come on to me and you see  
Will make it right  
Hold on down  
Hold on down  
I can feel youre loneliness  
Hold on down  
Hold on down  
Girl i give you sweet carres  
Hold on down  
Hold on down  
All the pain and hurt alive  
Hold on down  
Hold on down  
Let me give you love tonight  
Hold on down  
Hold on down  
Hold on tonight

Hold on down  
Girl i need you love tonight
