

I'm Leavin' It All Up to You – Tom Jones

I'm leavin' it all up to you
To decide what you're gonna do
Now, do you want my love?
Or are we through?
That's why I'm leaving it up to you
To decide what you're gonna do
Now do you want my love?
Or are we through?
My heart in my hand
I, I, I don't understand
What have I, what have I done wrong?
You know I worship the ground you walk on
I'm leavin' it all up to you
To decide what you're gonna do
Now, do you want my love?
Or are we through?
Or are we through?
Or are we through?
