

# You're My World – Tom Jones

You're my world, you're every breath  
I take  
You're my world, you're every move  
I make  
Other eyes see the stars, up in the sky  
But for me, they shine within your eyes  
As the trees reach for the sun  
Above  
So my arms reach out to you,  
My love  
With your hand resting in mine  
I feel a power, so divine  
You're my world, you are my night and day  
You're my world, you're every prayer I pray  
If our love ceases to be  
That is the end of my world for me  
With your hand resting in mine  
I feel a power, so divine  
You're my world, you are my night and day  
You're my world, you're every prayer I pray  
If our love ceases to be  
That is the end of my world,  
End of my world  
End of my world for me
