

# Another Love – Tom Odell

I want to take you somewhere  
So you know I care  
But it's so cold  
And I don't know where  
I brought you daffodils  
In a pretty string  
But they won't flower  
Like they did last spring  
And I want to kiss you  
Make you feel alright  
I'm just so tired  
To share my nights

I want to cry and I want to love  
But all my tears have been used up

On another love  
Another love  
All my tears have been used up  
On another love  
Another love  
All my tears have been used up  
On another love  
Another love  
All my tears have been used up, up

And if somebody hurts you  
I want to fight  
But my hand's been broken one too many times  
So I use my voice  
I'll be so fucking rude  
Words they always win  
But I know I'll lose  
And I'd sing a song  
That'd be just ours  
But I sang 'em all to another heart

And i want to cry  
I want to learn to love  
But all my tears have been used up

On another love  
Another love  
All my tears have been used up  
On another love  
Another love  
All my tears have been used up  
On another love  
Another love  
All my tears have been used up, up

I want to sing a song  
That will be just ours  
But I sang along to another heart

And I want to cry  
I want to fall in love  
But all my tears have been used up

On another love  
Another love  
All my tears have been used up  
On another love  
Another love  
All my tears have been used up  
On another love  
Another love  
All my tears have been used up, up
