

# Leave a light on – Tom Walker

The second someone mentioned  
You were all alone  
I could feel the trouble coursing  
Through your veins  
Now I know, it's got a hold  
Just a phone call left unanswered,  
Had me sparking up  
These cigarettes won't stop me  
Wondering where you are  
Don't let go, keep a hold  
If you look into the distance,  
There's a house upon the hill  
Guiding like a lighthouse  
To a place where you'll be  
Safe to feel our grace  
'cause we've all made mistakes  
If you've lost your way  
I will leave the light on  
I will leave the light on  
I will leave the light on  
I will leave the light on  
Tell me what's been happening,  
What's been on your mind  
Lately you've been searching for a darker place  
To hide, that's alright  
But if you carry on abusing,  
you'll be robbed from us  
I refuse to lose another friend to drugs  
Just come home, don't let go  
If you look into the distance,  
there's a house upon the hill  
Guiding like a lighthouse  
To a place where you'll be  
Safe to feel our grace '  
Cause we've all made mistakes  
If you've lost your way

I will leave the light on  
I will leave the light on  
I will leave the light on  
I will leave the light on  
If you look into the distance,  
There's a house upon the hill  
Guiding like a lighthouse,  
it's a place where you'll be  
Safe to feel our grace  
And if you've lost your way  
If you've lost your way  
(I will leave the light on)  
And I know you're down and out now,  
But I need you to be brave  
Hiding from the truth  
Ain't gonna make this all okay  
I see your pain, if you don't feel our grace  
And you've lost your way  
I will leave the light on  
I will leave the light on  
'Cause I will leave the light on
