

Leave a light on – Tom Walker

The second someone mentioned
You were all alone
I could feel the trouble coursing
Through your veins
Now I know, it's got a hold
Just a phone call left unanswered,
Had me sparking up
These cigarettes won't stop me
Wondering where you are
Don't let go, keep a hold
If you look into the distance,
There's a house upon the hill
Guiding like a lighthouse
To a place where you'll be
Safe to feel our grace
'cause we've all made mistakes
If you've lost your way
I will leave the light on
I will leave the light on
I will leave the light on
I will leave the light on
Tell me what's been happening,
What's been on your mind
Lately you've been searching for a darker place
To hide, that's alright
But if you carry on abusing,
you'll be robbed from us
I refuse to lose another friend to drugs
Just come home, don't let go
If you look into the distance,
there's a house upon the hill
Guiding like a lighthouse
To a place where you'll be
Safe to feel our grace '
Cause we've all made mistakes
If you've lost your way

I will leave the light on
I will leave the light on
I will leave the light on
I will leave the light on
If you look into the distance,
There's a house upon the hill
Guiding like a lighthouse,
it's a place where you'll be
Safe to feel our grace
And if you've lost your way
If you've lost your way
(I will leave the light on)
And I know you're down and out now,
But I need you to be brave
Hiding from the truth
Ain't gonna make this all okay
I see your pain, if you don't feel our grace
And you've lost your way
I will leave the light on
I will leave the light on
'Cause I will leave the light on
