

# Fly away – Tones And I

I had a dream that someday  
I would just fly, fly away  
And I always knew I couldn't stay  
So I had a dream that I'd just fly away  
I've been on my own for a minute  
Is it only me out here  
Searching for the place to begin it  
Is it me? Is it you? Is it fear?  
Standing on the line I was given  
People stare and ask me why I'm here  
No one seems to think that I fit in  
But I don't wanna be like them  
No, 'cause I don't wanna be like them  
'Cause I know that I, know that I  
I had a dream that someday  
I would just fly, fly away  
And I always knew I couldn't stay  
So I had a dream that I'd just fly away,  
away, oh  
Oh-oh, woah, oh, I'd fly away  
No one knew how low I was feeling  
I was scared to reach it all  
Knowing I was here for a reason  
But I was scared that if I tried, I'd fall  
So where do I go now I'm in it?  
I never thought it'd be like this  
Dreaming all my life and I did it  
Thought the grass was greener than then it is  
'Cause I had a dream that someday  
I would just fly, fly away  
And I always knew I couldn't stay  
So I had a dream that I'd just fly away,  
away, oh  
Oh-oh, woah, oh, I'd fly away  
Oh, woah, woah, oh I'd fly away  
'Cause I had a dream that someday

I would just fly, fly away  
And I always knew I couldn't stay  
So I had a dream that I'd just  
Fly away, away, oh  
Oh-oh, woah (fly away,  
Fly away, fly away, fly away)  
Woah, woah, woah (fy away, fly away,  
Fly away)  
I'd fly away
