

# Unbreak my heart – Toni Braxton

Don't leave me in all this pain  
Don't leave me out in the rain  
Come back and bring back my smile  
Come and take these tears away  
I need your arms to hold me now  
The nights are so unkind  
Bring back those nights when I held you beside me

Un-break my heart  
Say you'll love me again  
Undo this hurt you caused  
When you walked out the door  
And walked outta my life  
Un-cry these tears  
I cried so many nights  
Un-break my heart My heart

Take back that sad word good-bye  
Bring back the joy to my life  
Don't leave me here with these tears  
Come and kiss this pain away  
I can't forget the day you left  
Time is so unkind  
And life is so cruel without you here beside me

Un-break my heart  
Say you'll love me again  
Undo this hurt you caused  
When you walked out the door  
And walked outta my life  
Un-cry these tears  
I cried so many nights  
Un-break my heart My heart

Don't leave me in all this pain  
Don't leave me out in the rain

Bring back the nights when I held you beside me

Un-break my heart

Say you'll love me again

Undo this hurt you caused

When you walked out the door

And walked outta my life

Un-cry these tears

I cried so many nights

Un-break my heart My heart

Un-break my heart

Come back and say you love me

Un-break my heart

Sweet darlin'

Without you I just can't go on

Can't go on
