Unbreak my heart – Toni Braxton

Don't leave me in all this pain Don't leave me out in the rain Come back and bring back my smile Come and take these tears away I need your arms to hold me now The nights are so unkind Bring back those nights when I held you beside me

Un-break my heart Say you'll love me again Undo this hurt you caused When you walked out the door And walked outta my life Un-cry these tears I cried so many nights Un-break my heart My heart

Take back that sad word good-bye Bring back the joy to my life Don't leave me here with these tears Come and kiss this pain away I can't forget the day you left Time is so unkind And life is so cruel without you here beside me

Un-break my heart Say you'll love me again Undo this hurt you caused When you walked out the door And walked outta my life Un-cry these tears I cried so many nights Un-break my heart My heart

Don't leave me in all this pain Don't leave me out in the rain Bring back the nights when I held you beside me

Un-break my heart Say you'll love me again Undo this hurt you caused When you walked out the door And walked outta my life Un-cry these tears I cried so many nights Un-break my heart My heart

Un-break my heart Come back and say you love me Un-break my heart Sweet darlin' Without you I just can't go on Can't go on
