

# I Won't Hold You Back – Toto

If I had another chance tonight  
I'd try to tell you that  
The things we had were right  
Time can erase the love we shared  
But it gives me time to realize  
Just how much you cared  
Now you're gone, I'm really not the same,  
I guess I held myself to blame  
Time can erase the things we said  
But it gives me time to realize  
That you're the one who's sad  
You know I won't hold you back now,  
The love we had just can't be found  
You know I can't hold you back now  
Now that I'm alone it gives me time  
To think about the years that you were mine  
Time can erase the love we shared  
But it gives me time to realize  
Just how much you cared  
You know I won't hold you back now,  
The love we had just can't be found  
You know I can't hold you back now  
You know I won't hold you back now,  
The love we had just can't be found  
You know I can't hold you back now  
The love we had just can't be found
