

I Won't Hold You Back – Toto

If I had another chance tonight
I'd try to tell you that
The things we had were right
Time can erase the love we shared
But it gives me time to realize
Just how much you cared
Now you're gone, I'm really not the same,
I guess I held myself to blame
Time can erase the things we said
But it gives me time to realize
That you're the one who's sad
You know I won't hold you back now,
The love we had just can't be found
You know I can't hold you back now
Now that I'm alone it gives me time
To think about the years that you were mine
Time can erase the love we shared
But it gives me time to realize
Just how much you cared
You know I won't hold you back now,
The love we had just can't be found
You know I can't hold you back now
You know I won't hold you back now,
The love we had just can't be found
You know I can't hold you back now
The love we had just can't be found
