

Rosanna – Toto

All I wanna do when I wake up in the morning

Is see you eyes

Rosanna, Rosanna

I never thought that a girl like you

Could ever care for me, Rosanna

All I wanna do in the middle of the

Evening is hold you tight

Rosanna, Rosanna

I didn't know you were looking for

More than I could ever be

Not quite a year since she went away,

Rosanna yeah

Now she's gone and I have to say

Meet you all the way, meet you all

The way, Rosanna yeah

Meet you all the way, meet you all

The way, Rosanna yeah

I can see your face still shining

Through the window on the other side

Rosanna, Rosanna

I didn't know that a girl like you

Could make me feel so sad, Rosanna

All I wanna tell you is now

You'll never ever have to compromise

Rosanna, Rosanna

I never thought that losing

You could ever hurt so bad

Not quite a year since she went away,

Rosanna yeah

Now she's gone and I have to say

Meet you all the way, meet you all the way,

Rosanna yeah

Meet you all the way, meet you all the way,

Rosanna yeah

Not quite a year since she went away,

Rosanna yeah

Now she's gone and I have to say
Meet you all the way, meet you all the way,
Rosanna yeah
Meet you all the way, meet you all the way,
Rosanna yeah
Meet you all the way, meet you all the way,
Rosanna yeah
Meet you all the way, meet you all the way,
Rosanna yeah
