

# Habits – Tove Lo (Postmodern jukebox)

[Verse 1]

I eat my dinner in my bathtub  
Then I go to sex clubs  
Watching freaky people getting it on  
It doesn't make me nervous  
If anything, I'm restless  
Yeah, I've been around and I've seen it all  
I get home, I got the munchies  
Binge on all my Twinkies  
Throw up in the tub and I go to sleep  
And I drank up all my money  
It tasted kinda lonely

[Chorus]

But you're gone and I got to stay high  
All the time, to keep you off my mind  
Oh oh oh oh, oh oh oh oh  
High, all the time, to keep you off my mind  
Oh oh oh oh, oh oh oh oh  
Spend my days locked in a haze  
Trying to forget you, babe  
But I fall back down  
I gotta stay high, all my life  
To forget I'm missing ypu

[Verse 2]

I Pick up daddies at the playground  
That's how I spend my days now  
Loosen up their frown, make them feel alive  
Make it fast and make it greasy  
I know I'm way too easy

[Chorus]

But you're gone and I got to stay high  
All the time, to keep you off my mind  
Oh oh oh oh, oh oh oh oh

High, all the time, to keep you off my mind  
Oh oh oh oh, oh oh oh oh  
Spend my days locked in a haze  
Trying to forget you, babe  
But I fall back down  
I gotta stay high, all my life  
To forget I'm missing you

[Bridge]

Staying in my play pretend  
Where the fun ain't got no end, oh  
Can't go home alone again  
Need someone to numb the pain, oh  
Staying in my play pretend  
Where the fun ain't got no end, oh  
No I can't go home alone again  
Need someone to numb the pain

[Chorus]

Oh you're gone and I got to stay high  
All the time, to keep you off my mind  
Oh oh oh oh, oh oh oh oh  
High, all the time, to keep you off my mind  
Oh oh oh oh, oh oh oh oh  
Spend my days locked in a haze  
Trying to forget you, babe  
But I fall back down  
I gotta stay high, all the time  
To forget I'm missing you  
Gotta stay high, all the time  
To forget I'm missing you
