

Why Does It Always Rain On Me? – Travis

I can't sleep tonight
Everybody saying everything's alright
Still I can't close my eyes
I'm seeing a tunnel
At the end of all these lights
Sunny days
Where have you gone?
I get the strangest feeling you belong
Why does it always rain on me?
Is it because I lied when I was seventeen?
Why does it always rain on me?
Even when the sun is shining
I can't avoid the lightning
I can't stand myself
I'm being held up by invisible men
Still life on a shelf when
I got my mind on something else
Sunny days
Oh where have you gone?
I get the strangest feeling you belong
Why does it always rain on me?
Is it because I lied when I was seventeen?
Why does it always rain on me?
Even when the sun is shining
I can't avoid the lightning
Oh, where did the blue skies go?
And why is it raining so?
It's so cold
I can't sleep tonight
Everybody saying everything's alright
Still I can't close my eyes
I'm seeing a tunnel
At the end of all these lights
Sunny days
Where have you gone?
I get the strangest feeling you belong

Why does it always rain on me?
Is it because I lied when I was seventeen?
Why does it always rain on me?
Even when the sun is shining
I can't avoid the lightning
Oh, where did the blue sky go?
And why is it raining so?
It's so cold
Why does it always rain on me?
Is it because I lied when I was seventeen?
Why does it always rain on me?
Even when the sun is shining
I can't avoid the lightning
Why does it always rain on me?
Why does it always rain on
Oh oh
