

# Why Does It Always Rain On Me? – Travis

I can't sleep tonight  
Everybody saying everything's alright  
Still I can't close my eyes  
I'm seeing a tunnel  
At the end of all these lights  
Sunny days  
Where have you gone?  
I get the strangest feeling you belong  
Why does it always rain on me?  
Is it because I lied when I was seventeen?  
Why does it always rain on me?  
Even when the sun is shining  
I can't avoid the lightning  
I can't stand myself  
I'm being held up by invisible men  
Still life on a shelf when  
I got my mind on something else  
Sunny days  
Oh where have you gone?  
I get the strangest feeling you belong  
Why does it always rain on me?  
Is it because I lied when I was seventeen?  
Why does it always rain on me?  
Even when the sun is shining  
I can't avoid the lightning  
Oh, where did the blue skies go?  
And why is it raining so?  
It's so cold  
I can't sleep tonight  
Everybody saying everything's alright  
Still I can't close my eyes  
I'm seeing a tunnel  
At the end of all these lights  
Sunny days  
Where have you gone?  
I get the strangest feeling you belong

Why does it always rain on me?  
Is it because I lied when I was seventeen?  
Why does it always rain on me?  
Even when the sun is shining  
I can't avoid the lightning  
Oh, where did the blue sky go?  
And why is it raining so?  
It's so cold  
Why does it always rain on me?  
Is it because I lied when I was seventeen?  
Why does it always rain on me?  
Even when the sun is shining  
I can't avoid the lightning  
Why does it always rain on me?  
Why does it always rain on  
Oh oh
