Fools - Troye Sivan

(Only fools)

I am tired of this place, I hope people change I need time to replace what I gave away And my hopes, they are high, I must keep them small Though I try to resist I still want it all I see swimming pools and living rooms and aeroplanes I see a little house on the hill and children's names I see quiet nights poured over ice and Tanqueray But everything is shattering and it's my mistake Only fools fall for you, only fools Only fools do what I do, only fools fall Only fools fall for you, only fools Only fools do what I do, only fools fall Oh, our lives don't collide, I'm aware of this We've got differences and impulses and your obsession with The little things, you like stick and I like areosol Don't give a fuck, not giving up, I still want it all Only fools fall for you, only fools Only fools do what I do, only fools fall Only fools fall for you, only fools Only fools do what I do, only fools fall I see swimming pools and living rooms and airplanes I see a little house on the hill and children's names I see quiet nights poured over ice and Tanqueray But everything is shattering and it's my mistake Only fools fall for you, only fools fall Only fools do what I do, only fools fall Only fools fall for you, only fools fall Only fools do what I do, only fools fall Only fools fall for you (only fools) Only fools do what I do (only fools) Only fools fall for you (only fools) Only fools do what I do, only fools fall (Only fools) (Only fools) (Only fools)
