

# Don't come crying – try hard

Hey, hey, now everyone we have a new guest  
There goes another one that I put to rest  
Here in the underground, I have to confess  
There's no place, oh-whoa-oooh, quite this  
Dark, no-oooh-whoa But I'll be here with  
You, along for the ride where nightmares  
Are all real, so try not to cry Okay, I take  
It back, I really don't mind  
No escape, oh-whoa-oooh, from your fate,  
No-oooh Makes you wonder, doesn't it?  
Which one of us opposites?  
Is the weak baby here?  
I think it's pretty clear  
So don't come cryin' to me  
Don't come cryin', don't come cryin', cryin'  
Don't come cryin' to me  
Don't come cryin', don't come cryin', baby  
Don't come cryin' to me  
Don't come cryin', don't come cryin', cryin'  
Don't come cryin' to me  
Don't come cryin', don't come cryin' when it  
Hurts Down, down below we go, so follow me  
Quickly This time I pull the strings, my  
Puppet, how lovely Hang onto every word, this  
Plan is too easy Watch it play, ay-yee-ay,  
Here on the stage Are you ready for my  
Performance tonight? Under the lights  
, under the lights, whoa, oh, oh, oh  
Did you really think that I'd let you  
Survive? Another night, another night, no,  
Oh-oh So don't come cryin' to me  
Don't come cryin', don't come cryin', cryin'  
Don't come cryin' to me  
Don't come cryin', don't come cryin', baby  
Don't come cryin' to me  
Don't come cryin', don't come cryin', cryin'

Don't come cryin' to me  
Don't come cryin', don't come cryin' when it  
Hurts Oh, you thought that you could control  
Me? Oh, you thought I was yours to own me?  
You can cry, but you listen closely  
Baby I'm sorry, I'm not sorry!  
Makes you wonder, doesn't it?  
Which one of us opposites?  
Is the weak baby here?  
I think it's pretty clear  
So don't come cryin' to me  
Don't come cryin', don't come cryin', cryin'  
Don't come cryin' to me  
Don't come cryin', don't come cryin', baby  
Don't come cryin' to me  
Don't come cryin', don't come cryin', cryin'  
Don't come cryin' to me  
Don't come cryin', don't come cryin' when it  
Hurts
