

# I feel like im drowning – Two feet

You keep dreaming and dark scheming  
Yeah, you do  
You're a poison and I know that is the truth  
All my friends think you're vicious  
And they say you're suspicious  
You keep dreaming and dark scheming  
Yeah, you do  
I feel like I'm drowning  
I'm drowning  
You're holding me down and  
Holding me down  
You're killing me slow  
So slow, oh-no  
I feel like I'm drowning  
I'm drowning  
You're so plastic and that's tragic  
Just for you  
I don't know what the hell you gonna do  
When your looks start depleting  
And your friends all start leaving  
You're so plastic and that's tragic  
Just for you  
I feel like I'm drowning  
I'm drowning  
You're holding me down and  
Holding me down  
You're killing me slow  
So slow, oh-no  
I feel like I'm drowning  
I'm drowning  
My life's okay  
Yeah, just when you're not around me  
My life's okay  
Just when you're not around me  
My life's okay  
Just when you're not around me

My life's okay  
I feel like I'm drowning  
I'm drowning  
You're holding me down and  
Holding me down  
You're killing me slow  
So slow, oh-no  
I feel like I'm drowning  
I'm drowning
