## All Hallows Eve - Type O Negative

Fall fires burn 'neath black, twisted boughs

Sacrifice to above

Smoke swirling quickly towards misting clouds

Offering of this blood

Into the flames and without shame

Consumed with howls and screams

Pumpkins grin in their despair

On all

Hallows eve

Hallows eve

Cruel be the wind as it quells my words

I shout out to the rain

Incantations, I've so hope you've heard

That you live again

From deep earth brings forth

Rebirth witness but I shant believe

From below, a chilling glow

On all

Hallows eve

Hallows eve

Be spiderwebbed and glazed in frost

She wears death beautifully

More stunning now than in her life

On a bed of autumn leaves

Into her eyes and quite surprised

I whispered, "Don't you leave"

Sing macabre songs an' we'll dance 'til dawn

On all

Hallows Eve

Hallows Eve

Saint Lucifer, hear me prayin' to thee

On this eve of all saints

High be the price but then nothing is free

My soul, I'll gladly trade

Hallows Eve

Hallows Eve

Cold is the night in so many ways
Lunar round, full and bright
Deep be the mud on the fresh dug graves
On yours, I recite
An ancient spell, I know so well
Success is guaranteed
I'll bring you back from where you've gone

On all

Hallows Eve

Hallows Eve

Saint Lucifer, hear me prayin' to thee

On this eve of all saints

High be the price but then nothing is free

My soul, I'll gladly trade

Hallows Eve

Hallows Eve
