

# Be My Druidess – Type O Negative

Be my druidess  
Be my everything  
Be my druidess  
Be mine  
Around the pyre,  
A circle of thirteen  
Throughout these woods,  
Ecstatic screams  
I look deeply  
Into your eyes  
I smell your hair,  
Caress your thighs  
Now we'll make love  
By fire light  
A blaze so high  
It lights the night  
Long fingernails  
Dug in my skin  
Yourself so wet  
Invites me in  
Be my druidess  
Be my everything  
Be my druidess  
Be mine  
Our lust increased  
Feeds desire  
As we combust,  
Yeah we on fire  
I feel you shake  
So deep inside  
Ooh scream my name  
And squeeze me tight  
I'll do anything  
To make you come  
I'll do anything  
To make you

Be my druidess  
Be my everything  
Be my druidess  
Be mine  
I'll do anything  
To make you come  
I'll do anything  
To make you  
Cooooomeeee  
I'll do anything  
To make you come  
I'll do anything  
To make you come  
I'll do anything  
To make you come  
I'll do anything  
To make you  
I'll do anything  
I'll do anything  
I'll do anything  
To make you
