

Everything About You – Ugly Kid Joe

I, hate the rain and sunny weather,
And I, I hate the beach and mountains too,
Boo-hoo,
And I don't like a thing about the city,
No, no,
And I, I, I, hate the countryside too!
And I, hate everything about you!
Everything about you!
And I, don't like a thing about your mother,
And I, I hate your daddy's guts too,
Boo-hoo,
And I don't like a thing about your sister,
No, no
'cause I, I, I, think sex is overrated too
And I, get sick when I'm around,
I, can't stand to be around,
I, hate everything about you!
Everything about you,
Everything about you,
Everything about you!
Some say I've got a bad attitude,
But that don't change the way
I feel about you,
And if you think this might
Be bringing me down,
Look again 'cause I ain't wearing no frown!
Get Down!
I know, you know, everybody knows,
The way it comes is the way its gonna go
Think its sad well thats too bad
Cuz im having a ball
Hatin every little thing about you!
Everything about you,
Everything about
I, get sick when I'm around,

I, can't stand to be around,
I, hate everything about you!
