

Tell The World I'm Here – Urlik Munther

I've been afraid for all my life
But I'm not afraid tonight
I pack my bags, I throw the dice
Tonight I leave it all behind
All the world is waiting just for me
Things won't ever be the same again
Tell the world I'm here
To change it
Tell the world I'm here
To show you, show you that I am sincere
Tell the world I'm here
There is a place for everyone
Here is where I belong
I have searched and I have found
And this is what I have become
All the world is waiting just for me
Yeah
Things will never be the same again
Tell the world I'm here
To change it
Tell the world I'm here
To show you, show you that I am sincere
Tell the world I'm here
On my way, yes I'm on my way
I'm far away
Just tell the world
I'm on my way, yes I'm on way
When I'm far away
Just tell the world I'm here
Tell the world I'm here
To change it
Tell the world I'm here
To show you, show you that I am sincere
Tell the world I'm here
