Dethroned emperor (Celtic Frost cover) – Vader

See the portal, Gate to madness Locked forever In a veil of shame **Deny extraction** Thirst for disgrace Watch his break The emperor is killed Light of the day Shadows from beyond Scaffold of steel The throne has gone Gone Dethroned emperor Dethroned emperor The foot of the stairs, **Dimension** in might The king sits, His eyes are glass Growing of the small The laughter's fall Can you deny **Remaining cries?** Descent of the lords Into the trap Existence and hate **Unseen** gate Gate Dethroned emperor Dethroned emperor
