

Silent scream (Slayer cover) – Vader

Nightmare, the persecution
A child's dream of death
Torment, I'll Forgotten
A soul that will never rest
Guidance, It means nothing
In a world of brutal time
Electric, curcus, wild
Deep in the infants mind
Silent scream
Bury the unwanted child
Beaten and torn
Sacrifice the unborn
Shattered, ado encent
Bearer of no name
Restrained, insane games
Suffer the children condemned
Scattered, remnants of life
Murder a time to die
Pain, sufferaged toyed
Life's little fragment destroyed
Silent scream
Bury the unwanted child
Beaten and torn
Sanctify lives of scorn
Life preordained
Humanity maintained
Extraction terminated
Pains agonizing stain
Embryonic death
Embedded in your brain
Suffocation, strangulation
Death is fucking you insane
Nightmare, the persecution
A child's dream of death
Torment, I'll forgotten
A soul that will never rest

Innocence with drawn in fear
Fires burning can you hear
Cries
In the night
