

# A thousand miles – Vanessa Carlton

Ja: Making my way downtown

Walking fast faces passed

And I'm home bound

Ty: Staring blankly ahead

Just making my way

Making my way through the crowd

Ja: And I need you

Ty: And I miss you

Ja: And now I wonder...

Razem: If I could fall into the sky

Do you think time would pass me by

'Cause you know I'd walk a thousand miles

If I could just see you tonight

Ty: It's always times like these

When I think of you

And I wonder if you ever think of me

Ja: 'Cause everything's so wrong

And I don't belong

Living in your precious memories

Ty: 'Cause I need you

Ja: And I miss you

Ty: And now I wonder...

Razem: If I could fall into the sky

Do you think time would pass me by

'Cause you know I'd walk a thousand miles

If I could just see you tonight

Razem: And I, I don't want to let you know

I, I drown in your memory

I, I don't want to let this go

I, I don't...

Ja: Making my way downtown

Walking fast faces passed

And I'm home bound

Ty: Staring blankly ahead

Just making my way

Making my way through the crowd

Ja: And I still need you

Ty: And I still miss you

Ja: And now I wonder...

Ty: If I could fall into the sky

Do you think time would pass us by

Ja: 'Cause you know I'd walk a thousand miles

If I could just see you...

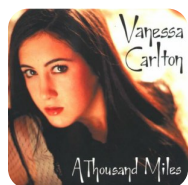

Razem: If I could fall into the sky

Do you think time would pass me by

'Cause you know I'd walk a thousand miles

If I could just see you

If I could just hold you tonight
