What's a woman – Vaya con dios

What's a woman when a man Don't stand by her side? What's a woman when a man Has secrets to hide? She'll be weak She'll be strong Struggle hard For so long What's a woman when a man (What's a man without a woman?) Don't go by the rule? What's a woman when a man (What's a man without a woman?) Makes her feel like a fool? When right Turns to wrong She will try To hold on to the ghosts of the past When love was to last Dreams from the past Faded so fast All alone In the daek She will swear He'll never mislead her again All those dreams from the past Faded so fast Ghosts of the past When love was to last All alone In the dark, she will swear cross her heart Never again Cross my heart Never again What's a man without a woman? Cross my heart

A woman without a man I say never again What's a man without a woman? Cross my heart A woman without a man No no never again What's a man without a woman? Cross my heart A woman without a man Never again What's a man without a woman? Cross my heart A woman without a man Never again What's a man without a woman? Cross my heart A woman without a man Never again What's a man without a woman? Cross my heart A woman without a man Never again What's a man without a woman? Cross my heart
