## Take a Hint - Victoria Justice & Elizabeth Gillies

Why am I always hit on by the boys I never like I can always see 'em coming, From the left or from the right I don't want to be a priss, I'm just try'na be polite But it always seems to bite me in the Ask me for my number, yeah, You put me on the spot You think that we should hook up, but I think that we should not You had me at "hello", Then you opened up your mouth And that is when it started going south Oh! Get your hands off my hips, 'fore I'll punch you in the lips Stop your staring at my hey! Take a hint, take a hint No you can't buy me a drink, Let me tell you what I think I think you could use a mint Take a hint, take a hint T-take a hint, take a hint I guess you still don't get it, So let's take it from the top You asked me what my sign is, And I told you it was "stop" And if I had a dime for every name that You just dropped You'd be here and I'd be on a yacht Oh! Get your hands off my hips, 'fore I'll punch you in the lips Stop your staring at my hey!

Take a hint, take a hint No you can't buy me a drink, Let me tell you what I think I think you could use a mint Take a hint, take a hint T-take a hint, take a hint What about "no" don't you get? So go and tell your friends I'm not really interested It's about time that you're leavin' I'm gonna count to three and Open my eyes and You'll be gone One Get your hands off my Two Or I'll punch you in the Three Stop your staring at my hey! Take a hint, take a hint I am not your missing link Let me tell you what I think I think you could use a mint Take a hint, take a hint Take a hint, take a hint Woah! Get your hands off my hips, 'fore I'll punch you in the lips Stop your staring at my hey! Take a hint, take a hint T-take a hint, take a hint
