

Make it shine – Victoria Justice

Here I am, once again, Feeling lost
But now and then, I breathe it in to let it go
And you don't know where you are now
Or what it would come to, if only somebody
Could hear, when you figure out how
You're lost in the moment, you disappear
You don't have to be afraid to put your dream
In action, you're never gonna fade,
You'll be the main attraction
Not a fantasy, just remember me
When it turns out right
'Cause you know that if you live in your
Imagination, tomorrow, you'll be
Everybody's fascination
In my victory, just remember me,
When I make it shine
Reachin' high, feelin' low, I'm holding on
But letting go, I like to shine, I'll shine
For you, and it's time to show the world how
It's a little bit closer, as long as I'm
Ready to go, all we have is right now
As long as you feel it inside, you know
You don't have to be afraid to put your dream
In action, you're never gonna fade,
You'll be the main attraction, not a fantasy,
Just remember me, when it turns out right
'Cause you know that if you live in your
Imagination
Tomorrow, you'll be everybody's fascination
In my victory, just remember me
When I make it shine
Everyone can tell you how it's all been
Said and done That harder times will change
Your mind And make you wanna run
But you want it, and you need it Like you
Need to breathe the air

If they doubt you, just believe it
That's enough to get you there
You don't have to be afraid to put your dream
In action, you're never gonna fade,
You'll be the main attraction
Not a fantasy, just remember me
When it turns out right 'Cause you know
That if you live in your imagination
Tomorrow, you'll be everybody's fascination
In my victory, just remember me
When I make it shine
