

# Make it shine – Victoria Justice

Here I am, once again, Feeling lost  
But now and then, I breathe it in to let it go  
And you don't know where you are now  
Or what it would come to, if only somebody  
Could hear, when you figure out how  
You're lost in the moment, you disappear  
You don't have to be afraid to put your dream  
In action, you're never gonna fade,  
You'll be the main attraction  
Not a fantasy, just remember me  
When it turns out right  
'Cause you know that if you live in your  
Imagination, tomorrow, you'll be  
Everybody's fascination  
In my victory, just remember me,  
When I make it shine  
Reachin' high, feelin' low, I'm holding on  
But letting go, I like to shine, I'll shine  
For you, and it's time to show the world how  
It's a little bit closer, as long as I'm  
Ready to go, all we have is right now  
As long as you feel it inside, you know  
You don't have to be afraid to put your dream  
In action, you're never gonna fade,  
You'll be the main attraction, not a fantasy,  
Just remember me, when it turns out right  
'Cause you know that if you live in your  
Imagination  
Tomorrow, you'll be everybody's fascination  
In my victory, just remember me  
When I make it shine  
Everyone can tell you how it's all been  
Said and done That harder times will change  
Your mind And make you wanna run  
But you want it, and you need it Like you  
Need to breathe the air

If they doubt you, just believe it  
That's enough to get you there  
You don't have to be afraid to put your dream  
In action, you're never gonna fade,  
You'll be the main attraction  
Not a fantasy, just remember me  
When it turns out right 'Cause you know  
That if you live in your imagination  
Tomorrow, you'll be everybody's fascination  
In my victory, just remember me  
When I make it shine
