## Make it shine - Victoria Justice

Here I am, once again, Feeling lost But now and then, I breathe it in to let it go And you don't know where you are now Or what it would come to, if only somebody Could hear, when you figure out how You're lost in the moment, you disappear You don't have to be afraid to put your dream In action, you're never gonna fade, You'll be the main attraction Not a fantasy, just remember me When it turns out right 'Cause you know that if you live in your Imagination, tomorrow, you'll be Everybody's fascination In my victory, just remember me, When I make it shine Reachin' high, feelin' low, I'm holding on But letting go, I like to shine, I'll shine For you, and it's time to show the world how It's a little bit closer, as long as I'm Ready to go, all we have is right now As long as you feel it inside, you know You don't have to be afraid to put your dream In action, you're never gonna fade, You'll be the main attraction, not a fantasy, Just remember me, when it turns out right 'Cause you know that if you live in your **Imagination** Tomorrow, you'll be everybody's fascination In my victory, just remember me When I make it shine Everyone can tell you how it's all been Said and done That harder times will change Your mind And make you wanna run But you want it, and you need it Like you Need to breathe the air

If they doubt you, just believe it
That's enough to get you there
You don't have to be afraid to put your dream
In action, you're never gonna fade,
You'll be the main attraction
Not a fantasy, just remember me
When it turns out right'Cause you know
That if you live in your imagination
Tomorrow, you'll be everybody's fascination
In my victory, just remember me
When I make it shine
