

Stay – Victoria Justice

Oh-oh, yeah
Two in the morning,
A bottle of wine and
I'm drunk and I'm falling for you
(Ha-ha-ha)
Take it or leave it,
You know what I'm feeling
And I know you feeling it too (Ha-ha-ha-ha)
I'm all up in my head
On the edge of the bed
I swear, I never do this, but
Won't you stay, stay, stay, stay home
Won't you stay, stay, stay, stay home
Don't gotta go nowhere
We could stay right here
Oh, tell me you don't wanna leave
(Ha-ha-ha-ha)
I'm catching you staring Well,
You know what you're doing
I love what you're doing to me
(Ha-ha-ha-ha)
I'm all up in my head On the edge of the bed
I swear, I never do this, but
