

# Getaway – Viki Gabor

G-E-T-A-W-A-Y

G-E-T-A-W-A-Y

Don't have to fly across no seas tonight  
Your packing all them things you know I like  
Now we don't need no money to get it right  
Coz you know you're my vacation every time

You're my getaway, getaway

You're my getaway

You're my getaway, getaway

You're my getaway

Take me to that place, that place

Far away only we know

You know that I love to dance,

to dance, all night mi amigo

You know that you're my G-E-T-A-W-A-Y

You know that you're my G-E-T-A-W-A-Y

G-E-T-A-W-A-Y

G-E-T-A-W-A-Y

Take it off and dive right in

That tropical on ice all over it

When I back it upon you in this crowd

It's only me and you right now

No we don't need to visas here tonight

You're my getaway, getaway

You're my getaway

You're my getaway, getaway

You're my getaway

Take me to that place, that place

Far away only we know  
You know that I love to dance,  
to dance, all night mi amigo

You know that you're my G-E-T-A-W-A-Y  
You know that you're my G-E-T-A-W-A-Y

G-E-T-A-W-A-Y  
G-E-T-A-W-A-Y  
G-E-T-A-W-A-Y  
G-E-T-A-W-A-Y

Wanna get away with ya  
Wanna get away with ya  
Wanna get away with ya  
Wanna get away with ya  
Wanna get away with ya  
Wanna get away with ya  
Wanna get away with ya  
Wanna get away with ya

You're my getaway, getaway  
You're my getaway  
You're my getaway, getaway  
You're my getaway

Take me to that place, that place  
Far away only we know  
You know that I love to dance,  
to dance, all night mi amigo

You know that you're my G-E-T-A-W-A-Y  
You know that you're my G-E-T-A-W-A-Y
