

Rise Up – Vinai ft. Vamero

Rise up I've been through the fire
Made it through the wire
I feel closer than I've ever been
Higher
I can feel the raindrops
Pouring, but I won't stop, no-o-o-oo

Don't forget me now
Believe in tomorrow
No time to borrow
Hear me out
Yeah, I do it all for you

Rise up I've been through the fire
Made it through the wire
I feel closer than I've ever been
Higher
I can feel the raindrops
Pouring, but I won't stop, no-o-o-oo

Don't forget me now
Believe in tomorrow
No time to borrow
Hear me out
Yeah, I do it all for you

Dam, dam
Dadi, dadi, dam, dam
Dadi, dadi, dam, dam
Dadi, dadi, dam, dam
