

Sleep Well My Angel – We Are The Fallen

Watching you sleep for so long
Knowing that I can't turn the rain into sun
Anymore
I've given you all that I am
Now I stand here too scared to hold your hand
Afraid you might wake to see
The monster that had to leave
Cause you see the shelter as the storm
Holding wind to keep you warm
You were everything to me
This is why I have to leave
So sleep well my angel
Under the ash and the lies
Something beautiful once here now dies
And the tears burn my eyes
As you sit there all alone
I just wanna come home
But you see the shelter as the storm
Holding wind to keep you warm
You were everything to me
This is why I have to leave
So sleep well my angel
Sleep well my angel
I'm sorry
I'm sorry
I'm sorry
I'm sorry
You see the shelter as the storm
Holding wind to keep you warm
You were everything to me
This is why
You see the shelter as the storm
Holding wind to keep you warm
You were everything to me
This is why I have to leave

So sleep well my angel
Sleep well my angel
