Sad song - We the kings ft. Elena Coats

You and I We're like fireworks and symphonies Exploding in the sky With you, I'm alive Like all the missing pieces of my heart, They finally collide So stop time right here in the moonlight Cause I don't ever wanna close my eyes Without you, I feel broke Like I'm half of a whole Without you, I've got no hand to hold Without you, I feel torn Like a sail in a storm Without you, I'm just a sad song I'm just a sad song With you I fall It's like I'm leaving all my past in Silhouettes up on the wall With you I'm a beautiful mess It's like we're standing hand in hand With all our fears up on the edge So stop time right here in the moonlight Cause I don't ever wanna close my eyes Without you, I feel broke Like I'm half of a whole Without you, I've got no hand to hold Without you, I feel torn Like a sail in a storm Without you, I'm just a sad song You're the perfect melody The only harmony I wanna hear You're my favourite part of me With you standing next to me I've got nothing to fear

Without you, I feel broke

Like I'm half of a whole
Without you, I've got no hand to hold
Without you, I feel torn
Like a sail in a storm
Without you, I'm just a sad song
Without you, I feel broke
Like I'm half of a whole
Without you, I've got no hand to hold
Without you, I feel torn
Like a sail in a storm
Without you, I'm just a sad song
I'm just a sad song
