

A Ray of Sunshine – Wham!

Can't you see I'm ready to dance?
And I can't stop this rhythm in my heart
Move it move it baby,
Can't you see I'm ready to dance?
Without this beat my life would fall apart
Shuffle on your feet till the floor is hot,
Gonna make a lot of money,
Gonna break your heart
Watch out boy, (watch out boy)
Shuffle on your feet till the floor is hot,
Gonna make a lot of money,
Gonna break your heart
But I'm the only one with a key
And that's me
Sometimes,
You wake up in the morning
With the bass line,
A Ray of Sunshine,
Sometimes,
You know today you're gonna have a good time,
And you're ready to go
Sometimes
You know today you're gonna have a good time,
And you're ready to go
Move it move it baby
Can't you see I'm ready to dance?
And I can't keep my rhythm in my heart
Move it move it baby,
Can't you see I'm ready to dance?
Without this beat my life would fall apart
Shuffle to the beat,
Gonna take a cut,
There's money in your feet,
Gimme what you got
Watch out boy, (watch out boy)
Suffle to the beat,

Gonna take a cut,
There's money in your feet,
Gonna stitch you up
Any other boy that you see,
But not me
Sometimes,
You wake up in the morning
With the bass line,
A Ray of Sunshine,
Sometimes,
You know today you're gonna have a good time,
And you're ready to go
Sometimes
You wake me up in the morning,
With the bass line,
A Ray of Sunshine
Turn the music up,
Turn the music up, turn it up,
Because it's all I've-
All that I've got
Shuffle to the beat
Gonna take a cut,
There's money in your feet,
Gimme what you got
Watch out boy, (watch out boy)
Suffle to the beat,
Gonna take a cut,
There's money in your feet,
Gonna stitch you up
Sometimes,
You wake up in the morning
with the bass line,
A Ray of Sunshine,
Sometimes,
You know today you're gonna have a good time,
And you're ready to go
