

I'm Your Man – Wham!

Call me good
Call me bad
Call me anything you want to baby
But I know that you're sad
And I know I'll make you happy
With the one thing that you never had
Baby, I'm your man
Baby, I'm your man

If you're gonna do it, do it right
If you're gonna do it, do it right
If you're gonna do it, do it right
If you're gonna do it, do it right

So good
You're divine
Wanna take you, wanna make you
But they tell me it's a crime!
Everybody knows where the good people go
But where we're going baby
Ain't no such word as no!

I'm your man
Baby, I'm your man

If you're gonna do it, do it right
If you're gonna do it, do it right
If you're gonna do it, do it right
If you're gonna do it, do it right

First class information
Sense your inspiration
And with some stimulation
We can do it right

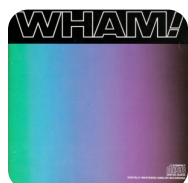

So why waste time

With the other guys?
When you can have mine
I ain't askin' for no sacrifice
Baby your friends do not need to know!
I've got a real nice place to go
Listen
I don't need you to care
I don't need you to understand yeah
All I want is for you to be there
And when I'm turned on
If you want me
I'm your man!

If you're gonna do it, do it right
If you're gonna do it, do it right
If you're gonna do it, do it right
If you're gonna do it, do it right

If you're gonna do it, do it right
If you're gonna do it, do it right
If you're gonna do it, do it right
If you're gonna do it, do it right

I'll be your boy, I'll be your man
I'll be the one who understands
I'll be your first, I'll be your last
I'll be the only one you ask
I'll be your friend, I'll be your toy
I'll be the one who brings you joy
I'll be your hope, I'll be your pearl
I'll take you halfway 'round the world!
I'll make you rich, I'll make you poor
Just don't use the door
