

Emma Bunton – What Took You So Long

Yeah, yeah, yeah

Oh, talk to me, can't you see

I'll help you work things out

Oh, don't want to be your enemy

And I don't want to scream and shout

'cause, baby, I believe in honesty

And then be strong and true

I shouldn't have to say now, baby,

That I believe in you

What took you so long?

What took you all night?

What took you forever to see I'm right?

You know, I treat you so good;

I make you feel fine

You know, I'll never give it up this time

Oh, no, no

Oh, you touched my heart right from the start,

You didn't know what to say

But, honey, I understand

When you take my hand everything's OK

'Cause, baby, I believe reality,

It's never far away

I've had enough, so listen, baby,

I've got something to say

What took you so long?

What took you all night?

What took you forever to see I'm right?

You know, I treat you so good;

I make you feel fine

You know, I'll never give it up this time

What took you so long? (What took you so long?)
What took you all night? (What took you all night?)
What took you forever to see I'm right?
You know, I treat you so good; (I treat you so good)
I make you feel fine (I make you feel fine)
You know, I'll never give it up this time
Oh, no, no

Baby, I believe in honesty
And then be strong and true
I shouldn't have to say now, baby,
That I believe in you

What took you so long?
What took you all night?
What took you forever to see I'm right?
You know, I treat you so good;
I make you feel fine
You know, I'll never give it up this time

What took you so long? (What took you so long?)
What took you all night? (What took you all night?)
What took you forever to see I'm right?
You know, I treat you so good; (I treat you so good)
I make you feel fine (I make you feel fine)
You know, I'll never give it up this time

What took you so long? (What took you so long?)
What took you all night? (What took you all night?)
What took you forever to see I'm right?
You know, I treat you so good; (I treat you so good)
I make you feel fine (I make you feel fine)
You know, I'll never give it up this time
Oh, no, no
