

Sailing Ships (acoustic ver) – Whitesnake

Do you remember standing on the shore?
Your head in the clouds, your pockets filled
With dreams
Bound for glory on the seven seas of life
But the ocean is deeper than it seems
The wind was with you when you left on the
Morning tide
You set your sail for an island in the sun
On the horizon, dark clouds up ahead
For the storm has just begun
Take me with you, take me far away
And lead me to the distant shore
Sail your ship across the water
Spread your wings across the sky
Take the time to see you're the one who
Holds the key
Or sailing ships will pass you by
You cry for mercy when you think you've
Lost your way
You drift alone if all your hope is gone
Find the strength and you will see
That you controlled your destiny
After all is said and done
So take me with you, take me far away
And lead me to the distant shore
Sail your ship across the water
Spread your wings across the sky
Take the time to see you're the one who
Holds the key
Or sailing ships will pass
Sailing ships will pass you
Sailing ships will pass you by
