

# Too Many Tears – Whitesnake

I used to be the man for you  
Did everything you wanted me to  
So tell me, baby  
Where did I do wrong?  
I told you what you wanted to know  
Precious secrets never spoken before  
All I'm asking  
Where did I go wrong?  
Some things are better left unsaid  
But all I do is cry instead  
Now I've cried me a river  
Thinking how it used to be  
And there've been too many tears falling  
And there've been too many  
Hearts breaking in two  
Remember what we had together?  
Believing it would last forever  
So wan't you tell me, baby  
Where did I go wrong?  
Everything I had was yours  
More than I have ever given before  
So won't you tell me?  
Did I hurt you so bad?  
I guess I'm fooling myself  
'Cause I want you and no one else  
And I can't understand  
Why you're doing these things to me  
And there've been too many tears falling  
And there've been too many  
Hearts breaking in two  
Remember what we had together?  
Believing it would last forever  
So wan't you tell me, baby  
Where did I go wrong?  
Mmmmmm  
Where did I go wrong?

Baby, baby  
Wan't you tell me  
Wan't you tell me  
Don't leave this way  
Where did I go wrong?  
Where did I go wrong?
