How Will I Know - Whitney Houston

There's a boy I know
He's the one I dream of
Looks into my eyes
Takes me to the clouds above, yhm
Ooh I lose control
Can't seem to get enough, aha
When I wake from dreaming
Tell me is it really love?

Ooh, how will I know? How will I know? How will I know? How will I know?

How will I know if he really loves me?
I say a prayer with every heart beat
I fall in love whenever we meet
I'm asking you
What you know about these things
How will I know if he's thinking of me?
I try to phone, but I'm too shy
Falling in love is so bittersweet
This love is strong, why do I feel weak?

Oh, wake me I'm shaking Wish I had you near me now Said there's no mistaking What I feel is really love Ooh tell me

How will I know? How will I know? How will I know?

How will I know?

How will I know if he really loves me?
I say a prayer with every heart beat
I fall in love whenever we meet
I'm asking you
What you know about these things
How will I know if he's thinking of me?
I try to phone, but I'm too shy
Falling in love is so bittersweet
This love is strong, why do I feel weak?

If he loves me not
If he loves me
If he loves me not
If he loves me
If he loves me
Oh, how will I know?
How will I know?
How will I know?
How will I know?

If he loves me

How will I know if he really loves me?
I say a prayer with every heart beat
I fall in love whenever we meet
I'm asking you
What you know about these things
How will I know if he's thinking of me?
I try to phone, but I'm too shy
Falling in love is so bittersweet
This love is strong, why do I feel weak?

How will I know? How will I know?
