

Ice Queen – Within Temptation

Ooh, ooh, ooh, ooh

Ooh, ooh, ooh, ooh

When leaves have fallen and skies turned to grey

The night keeps on closing in on the day

A nightingale sings his song of farewell

You better hide for her freezing hell

On cold wings she's coming

You better keep moving

For warmth, you'll be longing, nightingale

Come on just feel it

Don't you see it?

You better believe

When she embraces your heart turns to stone

She comes at night when you are all alone

And when she whispers your blood shall run cold

You better hide before she finds you

Whenever she is raging

She takes all life away

Haven't you seen? Haven't you seen?

The ruins of our world

Whenever she is raging

She takes all life away

Haven't you seen? Haven't you seen?

The ruins of our world

Ooh, ooh, ooh, ooh

She covers the earth with a breathtaking cloak

The sun awakes and melts it away

The world now opens its eyes and sees

The dawning of the new day

On cold wings she's coming

You better keep moving

For warmth, you'll be longing, nightingale

Come on just feel it

Don't you see it?

You better believe

Whenever she is raging

She takes all life away
Haven't you seen? Haven't you seen?
The ruins of our world
Whenever she is raging
She takes all life away
Haven't you seen? Haven't you seen?
The ruins of our world
