

# Our farewell – Within Temptation

In my hands  
A legacy of memories  
I can hear you say my name  
I can almost see your smile  
Feel the warmth of your embrace  
But there is nothing but silence now  
Around the one I loved  
Is this our farewell?

Sweet darling you worry too much, my child  
See the sadness in your eyes  
You are not alone in life  
Although you might think that you are

Never thought  
This day would come so soon  
We had no time to say goodbye  
How can the world just carry on?  
I feel so lost when you are not at my side  
But there is nothing but silence now  
Around the one I loved  
Is this our farewell?

Sweet darling you worry too much, my child  
See the sadness in your eyes  
You are not alone in life  
Although you might think that you are

So sorry your world is tumbling down  
I'll watch you through these nights  
Rest your head and go to sleep  
'Cause my child, this is not our farewell  
This is not our farewell
