

# Raise Your Banner (feat. Anders Friden of In Flames) – Within Temptation

Blood for freedom

You're pushing me into the corner

Don't fight with me,

Don't fight with me,

Don't fight with me

I'm crowning no man for his armour or rhapsody

For what I see and what I feel

Wake up!

I'm defying you, seeing right through you

Once I believed in you

Wake up!

Feel what's coming deep within we all know

Blood for freedom!

So raise your banner, fight your war

Break the silence, no remorse

Won't die within (Blood for freedom)

Raise your banner, won't you come

Fight the venom, the good die young

Won't die within

I'm feeling the eyes of the fallen, they're watching me

They make me see, they make me see

I'm feeling the pain how you break

Them and make them bleed

You make them bleed, you make them bleed

Wake up!

I'm defying you, seeing right through you

Once I believed in you

Wake up!

Feel what's coming deep within we all know

The way that you torment me  
The way that you challenge me  
The way that you make me bleed  
Blood for freedom

So raise your banner, fight your war  
Break the silence, no remorse  
Won't die within (Blood for freedom)  
Raise your banner, won't you come  
Fight the venom, the good die young  
Won't die within

When gods are failing  
They put all heaven in rage  
We're on our own  
Our tears keep falling  
They're setting fire to the flame  
Blood for freedom

So raise your banner, fight your war  
Break the silence, no remorse  
Won't die within (Blood for freedom)  
Raise your banner, won't you come  
Fight the venom, the good die young  
Won't die within

When gods are failing  
They put all heaven in rage  
We're on our own  
Our tears keep falling  
They're setting fire to the flame  
Blood for freedom
