Raise Your Banner (feat. Anders Friden of In Flames) – Within Temptation

Blood for freedom

You're pushing me into the corner Don't fight with me, Don't fight with me, Don't fight with me I'm crowning no man for his armour or rhapsody For what I see and what I feel

Wake up! I'm defying you, seeing right through you Once I believed in you Wake up! Feel what's coming deep within we all know

Blood for freedom! So raise your banner, fight your war Break the silence, no remorse Won't die within (Blood for freedom) Raise your banner, won't you come Fight the venom, the good die young Won't die within

I'm feeling the eyes of the fallen, they're watching me They make me see, they make me see I'm feeling the pain how you break Them and make them bleed You make them bleed, you make them bleed

Wake up! I'm defying you, seeing right through you Once I believed in you Wake up! Feel what's coming deep within we all know The way that you torment me The way that you challenge me The way that you make me bleed Blood for freedom

So raise your banner, fight your war Break the silence, no remorse Won't die within (Blood for freedom) Raise your banner, won't you come Fight the venom, the good die young Won't die within

When gods are failing They put all heaven in rage We're on our own Our tears keep falling They're setting fire to the flame Blood for freedom

So raise your banner, fight your war Break the silence, no remorse Won't die within (Blood for freedom) Raise your banner, won't you come Fight the venom, the good die young Won't die within

When gods are failing They put all heaven in rage We're on our own Our tears keep falling They're setting fire to the flame Blood for freedom
