

Somewhere – Within Temptation

Lost in the darkness, hoping for a sign
Instead there is only silence,
Can't you hear my screams?
Never stop hoping,
Need to know where you are,
Cause one thing is for sure,
You're always in my heart

I'll find you somewhere
I'll keep on trying until my dying day
I just need to know whatever has happened,
The truth will free my soul

Lost in the darkness,
Try to find your way home
I want to embrace you and never let you go
Almost hope you're in heaven
So no one can hurt your soul
Living in agony cause I just do not know
Where you are

I'll find you somewhere
I'll keep on trying until my dying day
I just need to know whatever has happened,
The truth will free my soul

Wherever you are, I won't stop searching
Whatever it takes, I need to know

I'll find you somewhere
I'll keep on trying until my dying day
I just need to know whatever has happened,
The truth will free my soul
