

Utopia – Within Temptation

The burning desire to live and roam free
It shines in the dark
And it grows within me
You're holding my hand but you don't understand
So where I am going, you won't be in the end

I'm dreaming in colours of getting the chance
Dreaming of tryn'a the perfect romance
In search of the door, to open your mind
In search of the cure of mankind

Help us we're drowning
So close up inside

Why does it rain, rain, rain down on Utopia?
Why does it have to kill the ideal of who we are?
Why does it rain, rain, rain down on Utopia?
How will the lights die down, telling us who we are?

I'm searching for answers
Not given for free
Livin' inside, is there life within me?
You're holding my hand but you don't understand
So you're taking the road all alone in the end

I'm dreaming in colours, no boundaries are there
I'm dreaming the dream, and I'll sing to share
In search of the door, to open your mind
In search of the cure of mankind

Help us we're drowning
So close up inside

Why does it rain, rain, rain down on Utopia?
Why does it have to kill the ideal of who we are?
Why does it rain, rain, rain, down on Utopia?

How will the lights die down, telling us who we are?

Why does it rain, rain, rain down on Utopia?

Why does it have to kill the ideal of who we are?

Why does it rain, rain, rain down on Utopia?

How will the lights die down, telling us who we are?

Why does it rain?
