

What have you done – Within Temptation

Would you mind if I hurt you
Understand that I need to
Wish that I had other choices
Than to harm the one I love

What have you done now!

I know I'd better stop trying
You know that there's no denying
I won't show mercy on you now

I know I should stop believing
I know that there's no retrieving
It's over now
What have you done

What have you done now

I,
I've been waiting for someone like you
But now you are slipping away
What have you done now
Why,
Why does fate make us suffer
There's a curse between us
Between me and you

What have you done
What have you done
What have you done
What have you done now
What have you done
What have you done
What have you done
What have you done now

Would you mind if I killed you
Would you mind if I tried to
Cause you have turned into my worst enemy
You carry hate that I don't feel
It's over now
What have you done

What have you done now

I,
I've been waiting for someone like you
But now you are slipping away
What have you done now
Why,
Why does fate make us suffer
There's a curse between us
Between me and you

What have you done
What have you done
What have you done
What have you done now
What have you done
What have you done
What have you done
What have you done now

I will not fall
Won't let it go
We will be free
When it ends

I,
I've been waiting for someone like you
But now you are slipping away
What have you done now
Why, Why does fate make us suffer
There's a curse between us
Between me and you

I,
I've been waiting for someone like you
But now you are slipping away
What have you done now
Why, Why does fate make us suffer
There's a curse between us
Between me and you
