

# Whole World Is Watching – Within Temptation

You live your life,  
You go day by day like nothing can go wrong  
Then scars are made, they're changing the game  
You learn to play it hard

And I know you wish for more,  
And I know you try,  
And now you realize,  
You know the time is right

The whole world is watching when you rise,  
The whole world is beating for you right now,  
Your whole life is flashing fore your eyes,  
It's all in this moment that changes all

What are you waiting for?  
What are you fighting for?  
Cause time's always slipping away,  
The whole world is watching,  
Yeah, the whole world is watching,  
You when you rise

You build your walls,  
Then break them away,  
Cause that is what it takes,  
You saved yourself,  
You found who you are,  
That never goes away

And I know you wish for more,  
And I know you try,  
And I hope you realize,  
You know the time is right

The whole world is watching when you rise,  
The whole world is beating for you right now,

Your whole life is flashing fore your eyes,  
It's all in this moment that changes all

What are you waiting for?  
What are you fighting for?  
Cause time's always slipping away,  
The whole world is watching,  
Yeah, the whole world is watching,  
You when you rise

Your sacrifice goes through your mind,  
But nothing is wasted,  
You've made it now,  
You rise again, breaking out,  
Each step that you've taken,  
You've paid the price

The whole world is watching,  
Yeah, the whole world is watching,  
You when you rise

What are you waiting for?  
What are you fighting for?  
Cause time's always slipping away,  
The whole world is watching,  
Yeah, the whole world is watching,  
You when you rise
